Catcus

Angela Kim, Pacy Yan, Iris Tao
APCS2 Period 4
2017-06-06
Flowchart No. 4

Changes Made:

- Username feature is taken out because it is not used that much in the actual games and therefore is no longer necessary
- Along with username entry, pop-up window and the stringList are also gone.
- User moves directly into Game Selection Screen and start playing according to the game chosen

Game Choice Screen
(display button, description for each game)

1

2

3

Start Game 1

Start Game 2

Start Game 3

End of Game
(Display hs, comment on performance, etc)

Choose to quit
or return to the Game Choice Screen
or play as a new user

Return

Play as a new user
